In the description of a specific title, publications link appears, which directly refers to it.

Ad. 3. If you do not know the author or title, the collections containing CD-ROM and DVD-ROM and the other media, can be easily found in the HIP electronic catalogue, by providing the appropriate password, according to option Browse Subject:

a) If you are looking for:

- Books on CD-ROM or DVD-ROM, VHS, type in the option Browse Subject for example: Książki na CD-ROM-ach (Books on CD-ROM) or Książki na DVD-ROM-ach (DVD Books-ROM). On the right side of the column Titles, the number of collections will appear us of this category, but when you click on the link, you will see all the titles of books, which are recorded on the media.
• **Catalogue of exhibition on CD-ROM or DVD-ROM**, please type in the option *Browse Subject* for example: *Katalogi wystaw na CD-ROM-ach* (Exhibition catalogues on CD-ROM) or *Katalogi wystaw na DVD-ROM-ach* (DVD Catalogues-ROMs). On the right side of the column *Titles* will show us the number of collections held in this category, but when you click on the link you will see all the titles exhibition catalogues, which are recorded on the media.

• **Sound record** (music files), type in the options *Browse Subject*: *Nagrania dźwiękowe na Audio CD* (Sound records on audio CD). On the right side of the column *Titles* the number of collections of defined category will be shown us, but after clicking the web link, publication titles appear.

b) If you are looking for:

• **Addition to the book on CD-ROM, DVD-ROM or VHS**, type in the options *Browse Subject*, for example: *Dodatki na CD-ROM-ach do książek* (Extras on CD-ROM for books) or *Dodatki na DVD-ROM-ach do książki* (Accessories on DVD-ROM for books) or *Dodatki na kasetach VHS do książek* (Additions VHS to books). On the right side of the column *Titles*, the number of existing collections will appear us, which are included in this accessories category, after clicking on the link, you will see all the titles of the books, which are included in recorded additions, set on the media.

• **Addition to the exhibition catalogue on CD-ROM, DVD-ROM or VHS**, type in the options *Browse Subject* for example: *Dodatki na CD-ROM-ach do katalogów wystaw* (Extras on CD-ROM for exhibition catalogues) or *Dodatki na DVD-ROM-ach do katalogów wystaw* (Extras on DVD-ROM for exhibition catalogues) or *Dodatki na kasetach VHS do katalogów wystaw* (Extras on VHS for exhibition catalogues). On the right side of the column *Titles*, the number of existing collections will show up us, which are included in this category accessories, after clicking on the link, you will see all the titles of exhibition catalogues, which are included in additions, recorded on the media.

• **Supplement to the magazine on CD-ROM, DVD-ROM**, type in the options *Browse Subject* for example: *Dodatki na CD-ROM-ach do czasopism* (Extras on CD-ROM for magazines) or *Dodatki na DVD-ROM-ach do czasopism* (Extras on DVD-ROM for magazines). On the right side of the column *Titles*, the number of existing collections will appear us, which are included in this category of Accessories, and by clicking on the link you will see all the titles of journals, which are included in additions, recorded on the media.

In the same way, you can search for *other content*, for example: maps, posters, medals, sound recordings - then type in the option *Browse Subject*: for example: *Dodatki (mapy) do czasopism* (Extras (maps) for magazines) or *Dodatki (nagrania dźwiękowe) na Audio CD do czasopism* (Extras (sound recordings) on Audio CD to magazines), lub *Dodatki (plakaty) do książek* (Extras (posters) for books), lub *Dodatki (medal) do katalogów wystaw* (Extras (medal) for exhibition catalogues).

Another way how to search, consists in typing media option *Keywords – Subject*, for example: on CD-ROM or on DVD-ROM. The list of titles files displays, which are recorded on the medium, following like: books, exhibition catalogues, magazines, or additions. However seeking in this way, we have very extensive list of collections.

c) If you do not know the author or title of *Students and Teachers Diploma and artistic work and thesis*, you must, enter the appropriate password in option *Browse Subject*, using HIP electronic catalogue, for example: *Dysertacje i rozprawy akademickie – CD-ROM-y* (Theses and Dissertations - CD-ROMs) or *Dysertacje i rozprawy akademickie – DVD-ROM-y* (Theses and dissertations - DVD-ROMs) or *Dysertacje i rozprawy akademickie – pendrive* (Theses and Dissertations - a pen drive) or *Dysertacje i rozprawy akademickie – kasety VHS* (Theses and Dissertations – VHS). Considering
artistic works, like bachelor documentation can be found by typing the option HIP Browse Subject example: Prace licencjackie – CD-ROM-y (Work Bachelor - CD ROMs) or Prace licencjackie – DVD-ROM-y or (Work Bachelor - DVD-ROMs). However seeking in this way, causes very extensive list of collections.

Similarly, you can find the documentation thesis work, recorded on other media, for example: plans, drawings, prints, photographs, portfolios, slides, and the other.

Then type in the options Browse Subject : for example: Dysertacje i rozprawy akademickie - fotografie (Theses and Dissertations, Academic – photographs) or Prace licencjackie – fotografie (bachelor works – photographs), etc. However, searching in this way, causes very extensive list of stock.
